Yes  
Have not read it but it looks good  
Yes  
Need to review but it looks comprehensive  
Yes  
Yes-extremely useful  
Very useful

#### 6.Overall comments

Very good  
A very useful, informative and easy to understand course  
Interesting day-provided extremely useful insight into new principles and valuable new learni  
within organisation to improve practice  
Thank you for making it relevant to the work of the ambulance service-this made the day app  
group  
The activity/group sessions worked well to apply the theory to practice  
A good day and an excellent refresher of Caldicott issue  
An excellent day  
Very useful and informative session  
Extremely thorough and obviously a lot of knowledge and intersted in subject  
Enjoyable and very informative workshop leader, helpful and knowledgeable. Also friendly!  
Enjoyable Day full of good information
